

Winter Maintenance of Roads Workshop

Attend this **FREE** training offering information on best management practices for managing snow and ice on roadways. The practices will help your organization save money, time and the environment. Attendees will be given a copy of the "Minnesota Snow and Ice Control Field Handbook."

The class is presented by Fortin Consulting staff and maintenance professionals. After the conclusion of the class, an optional test is offered to earn the Minnesota Pollution Control Agency (MPCA) Level I Smart Salting Certification in winter maintenance. The certified individuals are then listed on the MPCA website.

Who should attend?

Public Works managers, supervisors, superintendents and other lead staff

Check the Scott County website for future workshop details at:

<http://www.scottcountymn.gov/wmo>

Pre-registration is required. Email mbookman@co.scott.mn.us or call 952-496-8887.
