

# Minnesota Child Welfare Training System

A joint effort between the Minnesota Department of Human Services and county social service agencies

## Resource Families'

# Pre-Service Training

An experienced foster, adoptive or kinship parent and an agency professional will guide participants through an interactive and informative training series filled with activities and learning opportunities. The sessions will provide answers to many important questions. Each module is three hours. The Pre-service modules should follow the sequence listed, as each module builds a foundation for the next module. This also helps the participants build relationships within the group. *NEW TRAINERS- BARB KARLI & JOY MCAFEE.*
